*"I'm the proud parent of a Penn Stater. In looking at schools, we wanted something that would provide a well-rounded experience. My daughter, Nicole, saw that Penn State offered the choice of a variety of campuses. She loved Penn State Schuylkill. The staff and professors really cared about her as a person, both in and out of the classroom. Making the decision to send my daughter to Penn State was an easy one—because she has a passion for the school, and because I want to do everything I can to help her achieve her goals."*

(Daughter Nicole Vaughan is a Psychology major at Penn State University Park.)*
