Penn State in your career - It Shows

PENNSTATE
 Schuylkill

Penn State Schuylkill

provides the academic opportunities of Penn State - A Big Ten university with an international reputation - in a setting as intimate and comfortable as that of a small college. We refer to this as the **"Penn State Schuylkill Experience"**.

One important **Free** service to our students is provided by our Center for Academic Achievement (CAA). The CAA provides one-on-one tutoring as well as group study sessions. They are here to help you succeed and will work with your schedule to get you the assistance you need.

Penn State Schuylkill is a family oriented campus. There is a student club called the **Adult Student Organization** and they work to help you integrate your family life into your school life. In the fall we host a safe trick-or-treat that is staffed by the many campus student organizations. Bring your children to enjoy treat, tricks, and many surprises from faculty and students. In the spring we have the Bunny Trail of Treats. Students can bring their children to take home some yummy treats and visit the craft tables run by other student organizations.

The Student Affairs department schedules many family events throughout the year as well. Please pick up a copy of our events calendar for a look at all the ways Penn State Schuylkill makes you a part of the Penn State family.

Location
Founded in 1934 in Pottsville, PA; moved to current location in 1967. Located on approximately 100 acres near Schuylkill Haven in east-central Pennsylvania.
